## Klimarådet dumper regeringens klimainsats: Den er utilstrækkelig

Støttepartier og oppositionen er oprørte over Klimarådets "sønderlemmende" kritik af regeringens klimainsats. Nu truer de med at tvinge mere klimahandling igennem.

Regeringen siger ja til ny gasledning til Lolland

# WHAT HAVE WE TRIED?

**POLITICS • DEMONSTRATIONS • PETITIONS • INDIVIDUAL ACTIONS**

## Klimaet er i krise – Stop jagten på fossile brændsler!

De katastrofale brande i Australien spreder sig med en styrke og hast, som er svær at fatte. De er endnu et varsel om, at hele verden skal gøre noget. Nu. Også i Danmark.

Skriv under og kræver olie/gas-jagten aflyst, og produktionen i Nordsøen udfaset hurtigst muligt!

**GOVERNMENT  
AND MEDIA  
TELL THE  
TRUTH**

Sophia Geiger   
@Sphiamia

Imagine if the media reported on the climate crisis like it does on the coronavirus. Headline news every day, constantly releasing an updated death toll, analyzing whether world leaders are doing enough, most importantly, making public believe this is something to take seriously
